NATIONAL CADET CORPS (NCC)

Introduction to NCC

The National Cadets Corps (NCC) is the Indian Military Cadet Corps with its Heads Quarters at New Delhi. It is a voluntary organization which recruits cadets from high schools, colleges and universities all over India. The cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selection based on the achievements in the group.

Andhra Christian College has two NCC Units namely NCC (2) Armd Sqn. and 25 BN units.

Motto of NCC

Unity and Discipline (Ekta aur Anushasan) DG's four Cardinal Principles of Discipline.

1. Obey with a Smile
2. Be Punctual
3. Work Hard and without Fuss
4. Make no Excuses and tell no Lies

Aims of NCC

1. To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth to make them useful citizens.
2. To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life including the Armed Forces and be always available for the service of the nation.

Oath

"I do hereby solemnly promise that I will serve my motherland most truly and loyally and that, I will abide by the rules and regulations of the National Cadet Corps. Further under the command and control of my commanding officer I will participate in every camp most sincerely and wholeheartedly"

Pledge

We, the cadets of the National Cadet Corps, do solemnly pledge that we shall always uphold the unity of India. We resolve to be disciplined and responsible citizen of our nation. We shall undertake positive community service in the spirit of selflessness and concern for our fellow beings.

Awareness on Plastic Ban

07-06-2022

Increasing plastic waste in the world environment is adversely affecting mother earth and humans. Due to lack of awareness, it is frequently either dumped carelessly on land, roads or in rivers. In order to reduce the plastic consumption and acquainting the young minds regarding their responsibility towards plastic pollution, awareness program was organized by the NCC department of Andhra Christian College, in collaboration with 2(A) ARMD SQN NCC on 07-06-2023 and to sensitize the young cadets against the harms to natural environment posed by increasing plastic usage. Young cadets urged the residents to stop using plastic against the ill effects.

SWATCH BHARAT ABHIYAN

02-06-2022

Swachh Abhiyan Mission, the world's largest sanitation initiative was launched by the Prime Minister of India in 2014 to achieve an Open Defecation Free India by October 2, 2019, as a tribute to Mahatma Gandhi. The programme led to the construction of over 10 crore individual household toilets, taking sanitation coverage from 39% in 2014 to 100% in 2019 when around 6 lakh villages declared themselves Open Defecation Free (ODF). As part of Swachh Abhiyan, NCC cadets of our college has conducted a cleaning program in the rural area called Sambasivarao peta . Our cadets met with the residents of that village and taught them about the importance of cleaning and sanitation. We managed to bring awareness among people in our college surroundings regarding cleanliness and hygiene.

We have cleaned our college premises as well as the surroundings rural village by interacting with the people around.

TREE PLANTATION

20-11-2022

To promote the continuous planting of trees and the expansion of woodland across vulnerable tackle the adverse effect of climate change as a result of continuous indiscrimination.

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply. Planting large numbers of trees helps to purify the polluted air that we breathe in. Plants play a big role in our ecosystem by maintaining a balance among all the elements that are present in nature. Planting more trees also helps to keep in check the climate conditions of a place. On 26 Aug 2023, all the cadets of NCC of Andhra Christian College has participated by tree plantation programme. After the planting we have conducted an awareness program to the people in the surroundings regarding tree plantation by telling them to plant more plants to save the nature. Tree plantation is a process where a large number of trees or seedlings are planted for land.

PLOGGING RALLY

07-12-2022

The beauty of plogging, Ahlström believes, is its simplicity. Unlike many other exercise trends, it doesn't require classes or expensive equipment, just a bag and a desire to make a positive difference. "Everyone is allowed to do it how they want to," he says. "Anything works. The most important thing is that waste is being taken out of nature

Besides the obvious environmental benefits, the extra movements in plogging makes it healthier than if you simply ran past the trash. According to Ahlström, a half hour of plogging burns 288 calories, compared with the 235 calories burned during regular jogging. Ahlström believes that the multiple benefits of plogging, combined with its accessibility, are what have helped make it so popular. "It's a low-intensity exercise format, usually lasting about 60 minutes. But at the same time, it's smart, good for the body and mind, and of course good for the environment."
